REPORT AND RECOMMENDATION

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on September 20, 2006. At the hearing, defendant Julio A. Solis-Barrientos entered a plea of guilty to Counts One and Two of the Indictment: Count One charges the defendant with conspiracy to distribute more than 500 grams of cocaine, a Schedule II controlled substance in violation of Title 21, U.S.C., §§ 846, 841(a)(1) and 841(b)(1)(B)(ii); Count Two charges the defendant with distribution of more than 500 grams of cocaine, a Schedule II controlled substance, in violation of Title 21, U.S.C., §§ 841(a)(1) and 841(b)(1)(B)(ii); after receiving the written consent of defendant and all counsel, in exchange for the undertakings made by the government in the written plea agreement. On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats,

or promises, apart from the promises in the plea agreement; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to Counts One and Two of the Indictment be accepted, that the court adjudicate defendant guilty, and that the written plea agreement be considered for acceptance at the time of sentencing. It is further recommended that defendant remain detained pending sentencing. Acceptance of the plea, adjudication of guilt, acceptance of the plea agreement, determination of defendant's status pending sentencing, and imposition of sentence are specifically reserved for the district judge.

The Clerk is directed to procure a transcript of the plea hearing for review by the District Judge.
